

Training Seminar Announcement

The PGC Group can help by filling the gaps in knowledge, provide a better understanding of the US market and assist with strategy development activities, capacity building and one on one executive level coaching as well as anticipating and preparing for opportunities and risk involved in entering a new market.

We provide and in depth know how across a wide span of service lines. Our multidisciplinary approach, combined with our global experience and on the ground presence, enables us to cut through the complexity of local markets for the benefits of our clients. The

PGC Group is consist of various subject matter experts in international trade, business management, law, accounting services, marketing agency and industry credible professionals.

Oradea has been designated location to deliver our US market capacity building and entry training. Your organization would benefit from the following training agendas and would highly recommend that you participate if the US market is of interest to you. The training will be in both English and Romanian but require English proficiency for participants to fully immerse themselves in our training objectives.

Grupul PGC poate ajuta la completarea lacunelor în cunoștințele de specialitate, oferind o mai bună înțelegere a pieței americane, va îndruma dezvoltarea strategică a activităților implicate, consolidarea capacității de export și coaching “unu la unu” la nivel de conducere, precum și anticiparea și pregătirea pentru oportunitățile și riscurile implicate în intrarea pe o nouă piață (orice piață).

Oferim “know-how” in detaliu într-o gamă largă de servicii de afaceri. Abordarea noastră multidisciplinară, combinată cu experiența noastră globală și prezența directă în centrele de afaceri, ne permite să gestionăm în mod practic aspecte complexe din piețele locale în beneficiul clienților noștri. Grupul PGC este format dintr-o echipă de experți specializați în comerț internațional, managementul afacerilor, dreptul comercial al afacerilor, servicii de contabilitate, agenție de marketing și profesioniști recunoscuți din sectoare industriale

Orașul Oradea a fost desemnat ca locație pentru un seminar de pregătire și întărire a capacității de intrare pe piața din SUA pentru companiile românești. Compania dvs. va beneficia de un program specializat de instruire și vă recomandăm, cu căldură, să participați. Instruirea va fi atât în limba engleză, cât și în limba română dar va necesita cunoștințe practice de limba engleză pentru ca participanții să aprofundeze în detaliu obiectivele acestui seminar.
